Then I lowered myself thankfully on to his big dick.

After a good fuck, I bent over the table and demanded he give it to me hard. He groaned and shuddered, dumping his hot load of spunk into me.

I never cum fucking, so I sat spread-legged in a chair, waiting for my orgasm.

I told him to lick me. When he did I clamped his face in between my thighs. All the time I was screaming, "Don't stop!"

At one point I was bent up with my knees by my boobs. Not a very flattering pose but I got some deep penetration from that cannon of his.

# HARLEY SIN

"I usually have about half a dozen guys on the go at any one time to take care of my sexual needs – although not necessarily all at once, you understand!" laughs Harley. "I tend to find that one bloke just doesn't have the stamina to keep up with my cravings, but if the job's spread out among six of them then that works perfectly for everyone. The only trouble is, since the lockdown started, I've been having to make do with just the one, and the poor dear's completely knackered! Still, he's still glad not to be one of the other five!"

## HOT TO TROT!

We all need to get plenty of exercise

these days, so how thoughtful of Private to inspire us to get the trainers on and head out for a run, even if the kind of exercise these girls seem more interested in is in strict breach of social distancing guidelines! We kick off with Alyssa, a curvy brunette, out jogging. Then, after she puts in a few squats right over the camera she heads home with her personal trainer for some very personal training, with plenty of nice POV angles thrown in. Slender Tiffany Tatum already looks fit enough to me, but she's still up for a stonking workout with a creampie to finish. There's some cracking anal for Veronica and another top scene from redhead Kinuska to close. No fillers here!

## ALL JERK AND NO PLAY...

Cute Wendy's minding her own business, leaning on a little bridge in a skimpy skirt, when some pervy old codger comes up to her and pulls his cock out! Instead of screaming and running away,

though, she takes him to a gazebo, where he strips off, and then given him a hand job! An that sets the scene for the rest of the flick, in which a selection of randy old-timers are stripped naked and wanked (with the occasional suck) off by skimpily clothed beauties. It's a pretty unusual sort of porn flick that doesn't really give you a glimpse of a boob, let alone a pussy, but everyone seems to be enjoying themselves alright – especially the mature tuggees. There's no dialogue to speak off, but if you're after a 'being wanked while naked' flick, this is definitely a good place to start! Available from your local sex shop.

Me and my girlfriend Dawn always love reading Escort together – she's bisexual, and fancies the girls you feature just as much as I do – and mull over which of your sexy babes we'd both like to fuck most each issue, and whenever you feature Teleela in the mag I know we're going to settle on the same girl! Dawn's dirty talking always gets me hard, and when she started telling me how she'd like to watch me fuck Teleela's gorgeous pink cunt before pulling my prick from her dripping hole and sucking her juices off my glistening pole, I got a raging hard-on so fast I almost came before I'd managed to jam it up Dawn's ever welcoming arse! And that's even before she got on to talking about Teleela's delectably puckered arsehole, which is just begging for a good tonguing and a stiff prick to fill it completely. Just the thought has got the spunk swelling in my balls again, so Dawn's in for another fucking right after I've finished this email!

Pete, Eastbourne.

**Julia says:** Well it sounds like you guys are getting the most out of last issue, that's for sure!

## DEAR JULIA

We've been swingers for years now and recently got a big corner bath just like the one Anissa is having so much fun in in your latest issue. My wife Lisa's got a bit of a thing for watersports, and there's nothing sexier than watching her relieve herself

over some randy bloke we've hocked up with – and she never seems to go short of volunteers! I wonder if Anissa likes to use hers for a similar purpose? I'd love to be on the receiving end of a golden shower from her, and my missus could join in for good measure! Maybe once this lockdown is over we could christen our bath in style...? Gav, Roehampton.

**Julia says:** Yes, that would require a major relaxation of lockdown protocols, Gav!

The  
Corruption  
of  
Louise Lee

Blonde British splusher Louise Lee isn't the sort of girl to mess about – we join her surrounded by 6 or 7 guys wanking furiously, and she does her best to suck them all off... and within 10 minute she is dripping in hot harry monk, the randy mare. From then on it's gangbangs away as Louise is joined by three equally filthy friends to drain dozens of balls using every available hole at their disposal. Absolute filth from start to spunk-splattered finish. Available from your local sex shop.

## PUMP UP THE VOLUME

Bathmate Hydromax 7 Wide Boy

Penis Pump

£99.00

[www.officialhydromaxpump.com](http://www.officialhydromaxpump.com)

Penis pumps have been around for donkey's years (not that donkeys tend to need them, ironically) but Hydromax reckon they're the best selling in the market, thanks to their water-based function that means you can use it in the shower to give your old chap a good old workout that, with the Wide Boy version, is designed to increase girth for those whose erect length is already in the average 5-7" range. They're so confident in the results you'll get they offer a 60 day returns policy, too, so what have you got to lose, eh – other than a rather spindly prick?

What woman wouldn't like to suck on warm throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing.

"Mmm – If there's one thing I love more than plugging myself with my favourite toy, it's getting photographed doing it for my favourite mag!" says randy Chanelle, 27.

## 07. Luciana Thurrock

"I got so horny posing for these pictures I just had to grab my toy and jam it into my dripping slot!" says 35 year old Luciana. "I bet you wish it was your fat prick, don't you? You could pump me full of cum!"

# Frankie

This has been a bit of a boom time for DIY (of every sort!) – after all, there's only so long you can stare at a crack in the plastering before you feel obliged to get off your arse to do something about it. Turns out I'm crap at that sort of thing, though, so it was just as well Frankie here had offered to lend a hand. And it wasn't long before she was hard at it, helmet in hand and working away furiously, giving just the sort of hand that's most appreciated. And on top of that she provided a much more inviting crack to look at as well!

# REAL WIFE SEX

Janice goes for the full spa treatment!

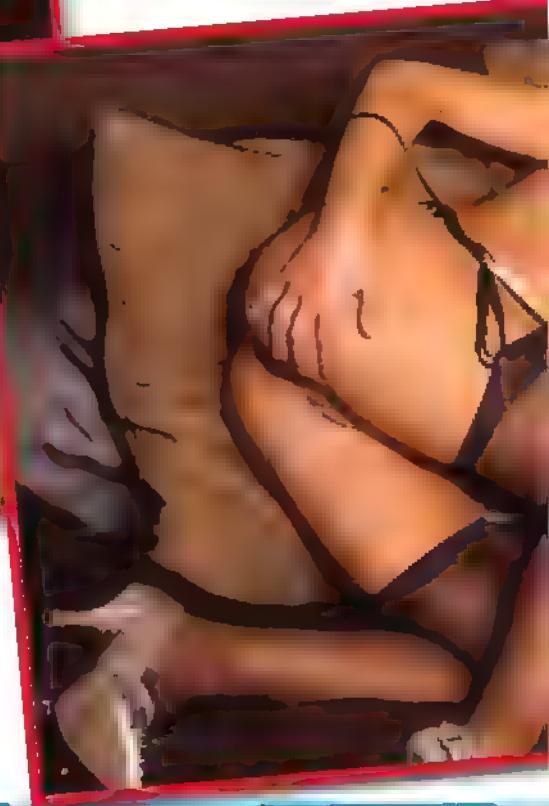

"I lay on my back and Jamie knelt beside me, offering me his glistening prick to suck on."

expected, with traffic jams seemingly all the way there, and by the time I arrived it was late into the night, meaning I had missed most of an evening's pleasures. I complained to the desk manager about the horrendous traffic I'd encountered and he said he knew just what I needed, a nice full body massage in my own room. A porter took my bags and the manager said he'd send someone up to me in fifteen minutes.

I took a quick shower and was ready in a nice, warm, soft towel for my unexpected but very welcome massage. When I opened the door, I was a little surprised to see a man standing there because on the few occasions that I have had a full body in my own room it has always been done by a woman, but I didn't think much of it. In my experience, the quality of the massage has nothing to do with the masseur's sex. Jamie, my masseur, set up his table and asked me to get comfortable while he selected some oils. I lay face down and then undid my towel, easing it down my freshly cleaned body until it covered little more than my bottom. Then Jamie got to work.

He's strong hands worked the oils into my back and shoulders and down my thighs and calves, and his soothing tones calmed me as I lay there and relaxed.

Every few months I like to disappear for a weekend's pampering at a spa hotel. Just me, alone, with nothing to worry about except which bath gown I'm going to wear next. I've got a quite a stressful job, so my hubby understands, and doesn't seem to mind, as long as I behave myself – which I usually do...

Normally I just go to the same lovely place outside my hometown, but last month I fancied a change and took a longer trip to a new place that had been recommended to me by a friend.

It took a lot longer to get there than I

I can't remember what he was saying as his deft touch melted away all the strains and tensions of the journey, leaving me so comfortable that I was barely able to murmur a yes when he asked if that felt good.

I guess it was when his hands began to massage the backs of my thighs all the way up to my buttocks that I woke up a little. No one had ever massaged that far up – his hands were almost completely under the towel, but it felt so good that I didn't say anything; I just let him carry on.

My mind wandered and I found myself fantasising about having sex with this muscular, tanned young man. As I began to enjoy my dreams I spread my legs a little wider to allow him to come even closer to my pussy. I confess, I was getting so into the fantasy that my juices had moistened me.

Then, without warning, Jamie lifted my towel completely off and dropped it to the floor so that I was completely naked beneath him. For a split second I considered asking him what he thought he was doing, but then, just as quickly, I decided that if this man wanted to fuck me I would be a fool to turn him down.

He began to massage my buttocks, squeezing them and kneading them in his strong hands, and I spread my legs wider until I was sure he had a fine view of my quim.

"Looks like you've got some body oils of your own," he calmly pointed out. "Would you like me to use those, too?"

I murmured in agreement and Jamie began to pull my buttocks apart, hooking his thumbs ever closer to my wet snatch. Then I felt one thumb glide over my entrance, parting my lips and teasing my clit. An involuntary groan left my mouth and his thumb slipped inside me.

Gripping my cheeks, he sank two thumbs inside my pussy and began to fuck me slowly with them. As he

thumb fucked me I slowly began to raise myself off the table until I was eventually up on all fours, thrusting back against Jamie's thumbs.

"Fuck me," I moaned, and immediately I heard him open his fly.

"Get over on the bed," he ordered me. I did as I was told, taking up the same position on the large, king-size bed that dominated the room. Without warning, Jamie plunged his cock deep inside me and he pulled me back hard against him by my hips. The sexual joy I felt as he fucked me deep and hard exploded from my mouth and I began to groan loudly. I kept up a stream of filth, begging him to fuck me and fill me with his seed

In my experience, when you let a man fuck you like this, they never last very long, but Jamie screwed me deep and hard for so long that I was screaming my orgasm and he was spurting me on,

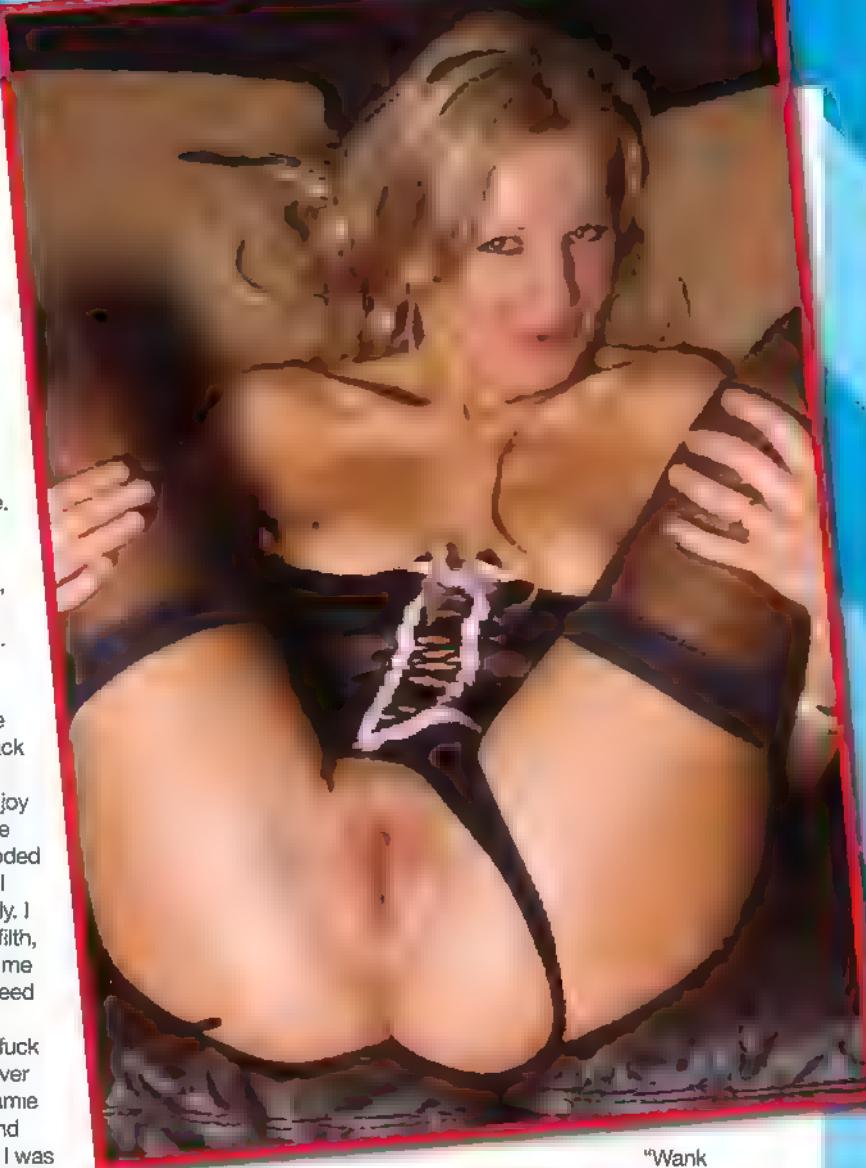

slapping my bum and grinding his dick round and round inside me until I was spent.

I fell forward onto the bed, sliding off his thick cock, breathing hard.

"Roll over, I haven't finished yet," he said. "Your mouth sounds like it could also do with some tender rubbing."

Turning over, I lay on my back and Jamie knelt beside my head, offering me his glistening prick to suck on. I opened my mouth and he eased himself inside, thrusting his meat into my cheek, his helmet bulging out the side of my mouth. Then he straddled my chest and rolled his dick around my mouth, pushing it into each cheek and seeing how far I could take him into my throat – which was nearly all the way.

Okay, I thought, this guy can fuck like an animal from behind but I could tell by the look on his face that getting his cock sucked was what really did it for him. I took his meat from my mouth and rested it on my face, licking his balls and sucking them into my mouth. To make it more interesting for him, I reached up and began to wank his dick hard, talking through mouthfuls of nut, telling him to come on me, to shower me with his semen.

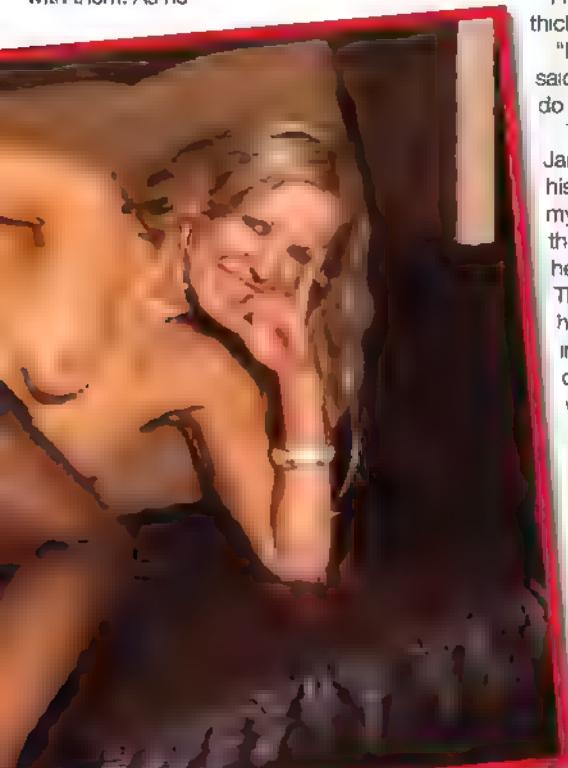

"Wank my cock onto you tits," he whispered, his body tensing up as he moved down my body. As I wanked his meat faster and faster he told me that he was going to come all over my breasts and then rub it into them – his own special essential oil reserved for his favourite customers. "If you're a good girl and still have my oil on you when I come back tomorrow night, I will fuck you so hard you'll come back again and again. And each time I will fuck you harder until you need a break from your weekend breaks!"

This kind of talk only spurred me on and I took hold of his balls while wanking him as fast as I could, squeezing them and begging him to spunk all over me.

Finally Jamie unleashed a shower of his come, plashing his seed all over my breasts, stomach, neck and face. When he had finally emptied himself, he rubbed his hot seed into my skin, making sure he spread it around me as best he could. Then he covered me in my towel, folded up his table, gathered his oils and went to leave. At the door, he said, "Remember, when I come back tonight, if you still have my oil on you, I'll fuck you again," and with that he left.

So did I spend the whole of the next day covered in his semen? Did I go to all kinds of treatments smelling like sex? You'll have to work that one out for yourself, but let me just ask you – would you do that for the fuck of your life? ☺

## A Bird in the Bush

**I**t was a beautiful, hot, sunny day so my husband suggested we go for a bit of a fresco fun in the sun – he's into amateur photography in a big way and I am his willing model.

We drove to the local woods where Ian got out his camera and we looked for the perfect location.

"That's it, there. Get your kit off and pose against that tree," he said.

I looked around to make sure no one was about then quickly took my clothes off and began posing, playing with my tits and opening my legs for the camera.

I could see by the bulge in Ian's shorts that he was enjoying it too.

His bulging cock was too hard to resist so I wandered over to him, yanked down his shorts and began to slowly lick and suck his penis.

I could feel my pussy begin to moisten as Ian's hands played with my nipples and tits, urging me to gobble down his cock.

We both knew what we wanted and we wanted it now!

I stuck my arse up in the air as Ian began playing with my clit and fingering my pussy.

It felt so good, the hot sun on my naked body and my pussy about to get fucked! I could feel his stiff cock rubbing against my pussy lips. "I

CONTACT  
ME

can't believe how wet you are, your pussy is oozing juice," Ian said.

He slowly pushed his cock into my juicy love hole. I moaned as he began to thrust deep inside me, slowly gathering pace.

I began to rub my clitty as Ian fucked me good and hard, his balls banging against my voluptuous arse.

I knew that soon he was going to cum and my orgasm was about to erupt.

"Fuck me harder! Don't stop!" I begged, rubbing my clit as hard as I could. "I'm cumming!" I cried.

Just then I felt Ian's lovey, hot spunk shoot up my pussy. I groaned in ecstasy as my body shook with a strong orgasm.

My pussy was absolutely soaking wet with both mine and Ian's mixed cum. Ian pulled his cock out of my juicy minge, it was glistening with pussy juice.

I suddenly became aware of rustling from a nearby bush and I looked up to see a sweaty, red faced, grey haired

man watching and wanking his cock.

I let out a gasp and Ian looked up and smiled.

"Here, mate, why don't you let my missus help you with that?" said Ian.

The stranger approached and I could see by his cock that he'd enjoyed our show. His penis was nine inches and very thick!

I couldn't resist touching it and wanking it and the stranger began to moan.

"Go on, suck his cock, don't be shy," Ian said.

As I sucked on this man's cock and bollocks I could feel Ian's and my cum trickling down my legs.

Ian snapped away with the camera and I suddenly felt like a dirty slut, sucking a stranger's dick for all my worth.

"I'm cumming!" the man shouted and a jet of hot spunk shot down the back of my throat.

I greedily sucked his cock clean, not wasting a single drop of his man juice.

"Wow," I said. "I've never done anything like that before, and I don't even know your name..."

"Let's keep it that way," said the stranger, and he quickly zipped up his jeans and disappeared back into the woods.

"I got some great pics," Ian smiled. "I can't believe what a dirty tart you are!"

I liked it though, so if ever you're in the woods, look out for me..

Christine, E. Sussex.

Before any of you get on to the cops to snitch us up, we'd like to assure you that we shot this set of Brook and Victoria well before anyone was being advised to social distance – back in the good old days when two horny women, a photographer and a sweaty Escort staffer could all sit in a smallish room and while away a few pleasant hours as the two girls got stuck into each other's juiced-up pussy. It seems like a different era these days, but hopefully we'll all be able to get back to some sort of normality before long. Er, watching a couple of hotties lez it up while you try and keep the bulge in your strides relatively comfortable is 'normality' isn't it?

At least the recent warm spell has meant we can shoot outside, so we left the side gate unlocked, got a longer lens on the camera, and gave Pippa a bell. She's always up for a bit of alfresco fun, so it wasn't long before she was perched on a little bench all ready to give her cunny a nice airing in the warm early summer afternoon. Mind you, she soon started to find the whole thing a bit frustrating, having to pleasure herself without anyone else pitching in – but guidelines are guidelines. We'll just have to save it up for next time, eh?

Sofia Lee

Sometimes you hear girls with big boobs complaining about them getting in the way, but you'll get no such carping from Sofia, who's just as crazy about her magnificent melons as we are!

"Oh yeah! I was a bit of a late developer, and was starting to worry I'd have nothing at all to show up top, so when they finally did arrive I was delighted! Giving tit-wanks is one of my favourite things ever, and if they were much smaller I wouldn't really be able to do it properly!"

What a shame that would be. Perhaps we could have a demonstration...?

**When you've got this much DIY action going on, sometimes it helps to have a site manager, and after a quick look at her boobs (Don't you mean CV? – Ed.) , we thought newbie Mandy Foxxx looked like the perfect candidate for the job! And sure enough, it wasn't long before she was really managing the site – a site for sore eyes, that is!**

**"Mmm – you're sure you don't mind me just diddling my clit instead of getting any actual work done?" she asked, but we were too busy with a little DIY of our own to answer.**

**From all the clobber, you'd be forgiven for thinking that Lacey's a genuine equestrian, but it turns out she's only ridden a horse once...**

**"Yeah – and I was hopeless. First of all I was paranoid about falling off, and then, once we got going, I started to get so aroused I couldn't concentrate on what I was supposed to be doing! I don't know how people ride horses for hours on end – all that bouncing up and down had me thinking about how I'd far rather be riding a cock! Luckily, the guy I was with was happy to help me out with that one..."**

## Loo'd Behaviour!

We recently made contact with two lads who wrote to me wanting to fuck me with my partner.

Shane and Andy are both 24 years old and a right pair of dirty bastards.

When we met them in a club one night I couldn't resist fishing out their cocks in the toilets.

I sucked both of them to hardness before Andy stood me up, picked me off my feet and stuffed his bloated wanger deep into my wet and creamy cunt.

My partner stood there telling Andy to fuck me hard and keep the rhythm going.

It was all too much for Andy who didn't try to pull out of me – he just fired his lovely young cum deep up my pussy.

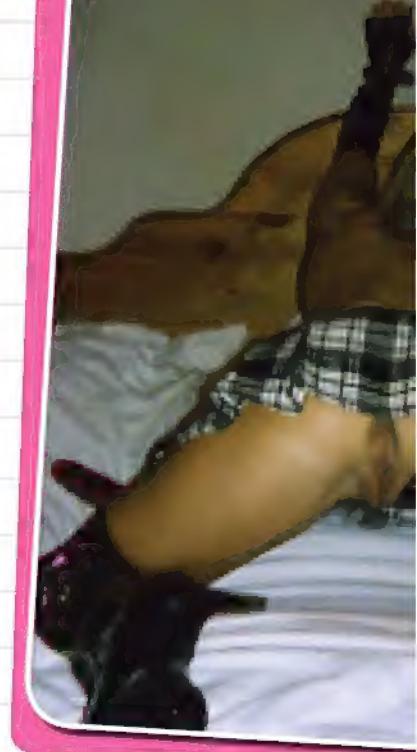

Once Andy had pulled out, my partner told Shane to get stuck in.

It was me who took control though. I lay him down on the floor, squatted over him and sunk my pussy down over his cock.

I got a steady rhythm going and soon I was cumming, my pussy juices running out of me and on to Shane's stomach.

I took my weight on my knees now and bounced up and down on his youthful cock.

I felt my partner nudge his big fat cobra cock against my

tight little arsehole.

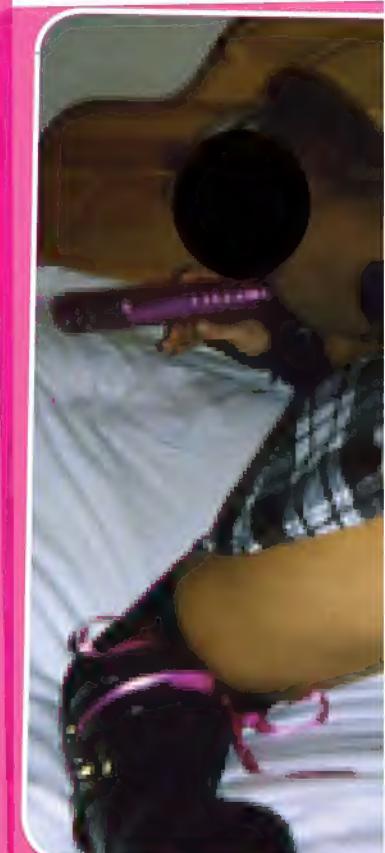

After relaxing it with his finger he drove his dick into my arsehole. Two cocks pistoned in and out of me and Shane did well not to blow his load in me.

It was great having this young lad in my pussy and my partner in my arse.

I could feel butterflies in my stomach and my eyes started rolling. I was orgasming uncontrollably.

Just as I started, Shane grunted and spunked inside me. I love the feeling of cumming when there's a spurting cock inside you.

It felt like he was

**NEXT ISSUE ON  
SALE 5<sup>TH</sup> AUGUST**

cumming really deep inside me.

The next part was even better. I was still cumming as my partner pulled me close to him, gave me 10 or 15 deep anal thrusts and then emptied his balls deep in my body.

Even when he withdrew I was still orgasming, lying in a heap, my legs totally weakened. What a great night out.

We would love to hear from Escort readers. An SAE would guarantee a reply and we look forward to seeing your pics and hearing your dirty stories.

Louise, West Mids.
